Britain and Europe Since 1945 (Seminar Studies in History Series) 1st Edition by Alex May (Author)

www.jstor.org

In 1945 Europe lay prostrate. It appeared that Britain might inspire a process of reconstruction through integration. But it did not. It was not until 1973 that Britain joined the European Community, and it has often been described since a "semi-detached member".

Postwar: A History of Europe Since 1945 by Tony Judt

In *The Conservative Party and European Integration since 1945: At the heart of Europe?*, N. J. Crowson sets out to analyse the thought of the Conservative Party faithful on Europe, and to investigate the role that the party played in the formation of policy at the highest levels of the leadership. Crowson seeks to move beyond the more traditional explanation of foreign policy formation as an ...
