BS 5572:1978 - Code of practice for sanitary pipework

The current British standard has evolved from the London City Council drainage byelaws dating back to 1875. This was followed by a British standard on sanitary pipework, BS CP 304, in 1953 and 1968, and by BS 5572 in 1978 and 1994. In 2000, BS EN 12056 was introduced; part 2 of the standard relates to sanitary design. Since 1965, the design of sanitary systems has been controlled nationally by Part H of the Building Regulations: Drainage and waste disposal.
