...

Community building can use a wide variety of practices, ranging from simple events (e.g., potlucks, small book clubs) to larger-scale efforts (e.g., mass festivals, construction projects that involve local participants rather than outside contractors). Community building that is geared toward citizen action is usually termed "community organizing."

## **Community organization - Wikipedia**

Powerful organizations drive sustainable growth—healthy growth that lasts. But how does an organization become powerful, and what does power really mean? We love to list and rank the powerful. My friend Stefan Swanepoel just released a list of the 200 most powerful people in U.S. real estate.

## **Building Powerful Community Organizations A**

I found Michael Jacoby Brown's Building Powerful Community Organizations to be a terrific guide for anyone who wants to do just what the title says. Early on, he lays out the 12 steps that it will take to build such an organization -- and then, in detail, and with really helpful illustrative stories, he spells out what to do, and provides helpful checklists and exercises.
