There are specific categories of books on the website that you can pick from, but only the Free category guarantees that you're looking at free books. They also have a Jr. Edition so you can find the latest free eBooks for your children and teens.

Calculator Riddles - ProTeacher Community

On the calculator I use, the digit 0 becomes O, 1 becomes I, 2 becomes Z, 3 becomes E, 4 becomes h, 5 becomes S, 6 becomes g, 7 becomes L, 8 becomes B, and 9 becomes G. Of course, turning the calculator upside down also reverses the digits, so 1234 would be hEZI, not IZEH. With a little effort, one can easily find numbers that correspond to words.
