Games of Strategy (Third Edition)

So far in my academic life, Games of Strategy has been the only textbook that I have read cover to cover and actually enjoyed. This book is a lovely introduction to the world of game theory. It is one of those subjects that, once you've learned it, you can't look at the world the same way again.

Games Of Strategy 3rd Edition - centremanolaya.be

Games of Strategy remains the most accessible principles-level text for courses in game theory, addressing a remarkably broad range of concepts in a narrative that is both clear and compelling.
