In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

SME Mining Engineering Handbook 3rd Edition

Mining engineers throughout the world are the salt of the earth, and this third edition of the SME Mining Engineering Handbook will be their bible. It builds on the grand tradition begun by highly respected leaders of the mining industry—Peele (1918, 1927, and 1941) and continued by Cummins and Given (1973) and then Hartman (1992).
